ANGELS' REPORT

Sawasdee Brothers and Sisters,

Today, all over the world, people are celebrating the resurrection of Jesus Christ. Easter is a day that we reflect, meditates and appreciates the beginning of our relationship with the God the Father through Jesus. Easter, a day that Christians remember our Lord Jesus, the Nazarene, rising from the dead. Easter is evidence that God has spared mankind from the wrath and punishment of God and given us new life, eternal life, true life, and a personal relationship with God. You can be fully assured that the tomb is empty and still remains empty. At Easter we remember Jesus' resurrection, the only person who ever came back to life after death. He lives and sits at the right hand of God in heaven, praying for His children. We have the victory and need not fear death. We can do all things in Christ Who loves us and lives within us. Because He Who lives in us is greater than he who lives in the world. We Christians have victory because of our faith, our assurance, our trust in Jesus Who remains the same yesterday, today and forever!

Easter celebrates victory over death when Jesus was hanged on the cross on Good Friday. After 3 days He rose again. This should reflect how we Christians believe that we have died along with Christ and have been made new again like Jesus (by water baptism). We are no longer spiritually dead, because Jesus died for us. We have eternal life. We will be with God forever. But most days it looks too much like just tradition, ceremony, religion. We must remember His sacrificial death and resurrection. This is our unshakable hope and faith. The truth is, the more we reflect on this, our problems will seem so small because our hope is bigger than any problem. We will not be disappointed.

Eternal things, His kingdom, a new city is coming which is so much better than this world. No more suffering, sadness, troubles any more. It will be the holy city, the New Jerusalem. No crime, no danger, no harm any more. Let us encourage each other with this good news! Without Easter we would all die and our faith would be meaningless. We would be most pitiful.

If there is no resurrection from death and Jesus did not rise again, our sermons would have no substance. Your faith would be meaningless and our testimonies would be false. We would still be in sin and perish. The truth is Jesus rose again and is the First Fruit for those who have fallen asleep (I Cor. 15:13-18).

After we finish eating breakfast, separate groups will have their own activities. See your group leaders for details. God bless all of you. May this Easter be the beginning of victory for you!
