# ANGELS' REPORT

Sawasdee Brothers and Sisters,

Last week we celebrated the resurrection victory of Easter and listened to Pastor Sidney's sermon. Easter is day that God can control circumstances in our lives if we only believe. That's because oftentimes, we use our old way of thinking. Pastor challenged us to hunger more for God and that hunger is an important key. If we don't hunger for God, we will not give Him a chance to help us. There were three points of challenge:

1. Put to Death past problems. Life for the future - the hope and power in our lives.
2. God has power over death (Ephesians 1). We who hope in God have no more fear.
3. Easter is the day that God wants to tell us "I love you." Even if you have failed or are unable to love yourself, or are not accepted, God loves you.

Pastor Sidney gave us the example of the brethren who went to the camp at Om Koi. They fasted for 100,000 days and great things happened. Some were set free from smoking and drugs immediately. A hungry person will gain more than one who is full. We see God as being too small as was written in a book many years ago, "Your God is Too Small." Let's change our point of view and attitudes today. Pray for more hunger for God. Don't look at the things we want to stop doing and say that we can't. But look to the cross of Jesus Christ and His resurrection. God is never possessive of His blessings. Be brave to ask Him and I am positive that Easter this year will have new meaning for everyone.

Two weeks ago we had an update on the building and fund raising. Praise God for your hearts of giving. On Saturday May 9 there will be the annual Yard Sale for Grace International School. We will be collecting used good from members for this event and proceeds will go towards the building fund. See Khun A for more details.

This afternoon we have our usual group and Bible studies. May God bless you as you fellowship throughout the day.
