ANGELS' REPORT

In accordance with our vision of reaching out to the community, starting next month, there will be a change in the format of the afternoon classes to doing visitations, to evangelize and build relationships. The adults' class will begin to go out starting Sunday 7 February to follow up on the relationships we have with the parents of the children who joined us this past Children's Day. There will be a new believer's class at the YMCA. We believe that when we move to the new location, we will be a blessing to the neighborhood. Please pray for evangelism, our witness and that there will be many new believers in our church.

Update on the new building. This past week, the workers laid the base for the bottom floor and have set up metal rebar posts for the 2nd floor. This Saturday the 2nd floor should be poured. Following will be framing the walls on the 2nd floor and welding the metal frame for the roof. Please continue to pray for the needed remaining 3-5 million baht. If anyone would to donate funds, please see Pastor or Kuhn A.

New Sunday Format. Beginning today we are changing the service format in order to improve the spiritual climate. First will be worship with music; followed by response time, sharing from the Word; communion; and then go straight into the sermon. After all this will be welcoming visitors, greeting one another, announcements, all ending at 12 noon. Please come to service on time so we can move forward in unity.

This afternoon we have Bible classes. The adults will have a class "How to Use Proverbs for Your Family," a continuation from last week as Pastor shares how to put it into practice. Meet at YMCA at 1:30. May God you as you fellowship throughout the day.
